

PATENT APPLICATION NO. 10/562,190
ATTORNEY DOCKET NO. 01693-22129 (21733.PROV.PCT.US)

DECLARATION AND PETITION

As a below named inventor, I hereby declare: that my residence, post office address, and citizenship are as stated below next to my name; that I verily believe I am the first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled HALYARD SYSTEM FOR A FLAG POLE, the specification of which was filed on December 20, 2005 as THORPE NORTH & WESTERN, LLP Docket No. 21733.PROV.PCT.US, and given United States Application No. 10/562,190, and that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to above; and that I acknowledge the duty to disclose information which is material to patentability as defined in § 1.56(a) of Title 37 of the Code of Federal Regulations.

I hereby claim the benefit of the earlier filed patent application filed in the United States Patent and Trademark Office as application no. PCT/US2004/020076 filed on June 21, 2004, which claims priority to patent application 60/480,272 filed on June 20, 2003; and, insofar as the subject matter of each of the claims of these applications is not disclosed in the earlier filed pending applications in the manner provided by the first paragraph of Section 112 of Title 35 of the United States code, I acknowledge the duty to disclose material information, as defined in Section 1.56(a) of Title 37 of the Code of Federal Regulations, which occurred between the filing date of the earlier filed applications and the filing date of this application.

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that those statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.
